MRAC REGULAR MEETING: 7:30 PM, Thursday, October 19, 1978.

Subject: A look back at older radio equipment.

First Mr. Bob Paquette, Sr., of Select Sound Service will report on the National Historical Radio Conference sponsored by the Antique Wireless Association and held at Canandaigua, N.Y., on September 28, 29, 30 and October 1. Bob was fortunate enough to be able to attend and will give us a report on the Conference before he displays some of the microphones from his large collection and tells us about them.

Second Mr. Charles E. Dettmann of Milwaukee Area Technical High School will show some of his collection of ancient radio equipment and tell how he refurbishes the units.

Third Mr. Fred Linn, W9NZF, known for his restoration of old ham equipment will show some of his prized possessions and tell about their acquisition and restoration.

Scarvac and Brossmann will report on current DX conditions.

Pictures taken at the MRAC Picnic by Sister Osanna will be shown.

MRAC REGULAR MEETING: 7:30 PM, Thursday, November 16, 1978.

Subject: Not radio controlled model planes, model boats, tricycles!

But Harnischfeger Corporation's radio controlled crane for use in nuclear power generating stations! This latest one with remote control weighs in at a mere 650 tons, can lift 530 tons and is controllable within 1/64th of an inch! Speakers will be Mr. Glen Rearick, Divisional Plant Manager for Harnischfeger Corporation and Mr. Frank Seymour, Manager Customer Services, Telemotive Co., Dynascan Corporation. Don't miss this one.

MILWAUKEE RADIO AMATEURS CLUB meets on the third Thursday of each month (except July and August) at 7:30 PM at Wauwatosa Savings and Loan Building at 7500 West State Street - Hall is open at 7:00 PM so that you can consult with our school staff on classroom or your own technical problems or RAG CHEW.
